WFC II SET FOR ROSE BOWL

The Second Annual World Frisbee Championships at the Rose Bowl will be held August 20-24 at the world famous stadium in Pasadena, Calif.

An invitational event, the WFC will bring together the world's foremost flippers of Frisbee flying discs in such events as Individual Distance-Accuracy, five-man Guts Frisbee (with new test rules) and the new, exciting Ultimate Frisbee game.

On hand to defend their laurels will be last year's individual champions Victor Malafronte (Men's World Champion); Jo Cahow (Women's World Champion); John Kirkland (Men's Distance Champion) and Monika Lou (Women's Distance Champion), as well as the 1974 Guts Frisbee titlists, the Library Bar team from Houghton, Mich.

WABX AIR ACES WIN NACHAZEL

Parlaying a power throwing game, spearheaded by the tosses of Keith "Green" John and captain Tom "Taum" Field, with superb catching, the Air Aces withstood the best the Library had to offer.

Other members of the new champions are Ron Arndt, Steve "Scoreboard" Hartzell and Bob McCartney.

The day wasn't a total loss for the Library Bar, however. The Library Ladies won the women's Guts Frisbee title, defeating the Humbly Magnificent Champions of the Universe in another hard-fought match, 21-19 and 24-22.

More than 10,000 persons were attracted to Cliff's Hill Ski Area for IFT 18 and they were treated to a tremendous display of Frisbee flipping talents.

In men's distance, Joe Essman of Wellston, O. was the winner with a sidearm heave of 298 feet. The big surprise was that neither John "The Pretender" Kirkland, world record holder for Frisbee distance, nor
