Box 8    MEMBERSHIP SERIES    1978-2003
Annual membership dues are often paid at the time of registration for the annual meeting. In
isolated cases, membership forms and registration forms are filed together in alphabetical order.
Subseries for mailing lists listed in chronological order. Membership for college, university,
library etc, is filed under the name of the institution [Ellis Library, under Missouri, University].
Because membership fees include a copy of the Journal, journal subscriptions are included in this
series. Membership materials for subscription services which serve more than one library or
institution are together under "membership—subscription services".
