This collection is available at The State Historical Society of Missouri. If you would like more information, please contact us at shsresearch@umsystem.edu.

Introduction
The papers of a Missouri Governor and U.S. Senator include gubernatorial and senatorial material, including political and campaign material, legislative material, press releases, correspondence, speeches, travel logs, subject files, clippings, photographs, and audiovisual material.

Restriction
The donor retains all copyright and literary property rights which he has in his unpublished papers, with the understanding that researchers are free to use and quote from any of the materials consistent with the Fair Use Doctrine of the copyright law. Upon the death of the donor, such rights shall pass to his wife, Linda A. Bond. Upon the death of the Donor and Donor's said wife, such rights shall pass to the Society.

All handwritten notes of the Donor, and all memoranda dictated by the Donor to another person will be placed under seal for the lifetime of the Donor.

NOTE to staff: please remove any restricted material from designated boxes before allowing patrons to view materials.
