Introduction

National History Day in Missouri (NHDMO) is a yearlong history education program, sponsored by The State Historical Society of Missouri, in partnership with the Missouri Humanities Council. The program encourages young people to explore history and teaches them to understand historical issues, ideas, people and events. It is the state affiliate of National History Day. Records include office files and student entries.

Restriction

Access to student entries is restricted for a period of 10 years after they are received and they may never be copied.
