This collection is available at The State Historical Society of Missouri. If you would like more information, please contact us at shsresearch@umsystem.edu.

**Introduction**

Photographs, biographies, and select collected works of several noted soil scientists. Also some University of Missouri bulletins and reports from the early 1900s. Includes abstracts and articles, correspondence, field tour logs, photographs [primarily soil scientists, Universities of Illinois, Missouri], maps, newsletters, notebook by soils scientist James Thorp of Australia, posters, symposium and conference proceedings, reports, and related materials, and miscellaneous papers. Also includes limited family photographs [C.C. Logan].

**Box List**

**Box 1**
- Abstracts/Articles
- Albrecht, William A.
- Correspondence [6]
- Field Trip/Tour Logs
- Heilbroun History & Correspondence
- Hole, Francis D.
- Logan, C.C.
- Miscellaneous Papers [2]
- Newsletters
- Photographs [4]
  - 1880s, 1900s, 1912, 1915, 1917, 1920s-1970s, 1990s
- Publications [5]
- Proceedings
- Reports
- Soil Maps
- Thorpe, James—Notebook
- University of Missouri [2]
  - Brochures & Circulars
  - Century of Missouri Agriculture, 1958
  - College of Agriculture, 1908, 1911-1912, 1913, 1919-1920
  - Erosion & Surface Runoff Under Different Soil Conditions, 1923
  - Evaluating Missouri Soils, 1972
  - Missouri Soil Survey

**Box 2**
- Abstracts/Articles [3]
- Chamberlain, T. C.
- Clippings
- CD—Annual Meeting Abstracts, Soil Science Society of America
- Correspondence [3]

Audiovisual Material [Location: Unprocessed A/V]
5 video cassettes [Pertaining to soil science from a joint project with the Clay Minerals Society in 1992 (which includes an interview with Walter Keller).]
4 film reels [1935 film produced by Dr. John Gieseking of the 3rd International Congress of Soil Science in Oxford, England (Curtis F. Marbut appears in the film). After the conference, Giesking traveled on to Germany and captured the rise of Nazism. Includes a videocassette copy of the film (see above).]
