Cydney Millstein (1950- ) Papers
ca. 1990-2010
21 cubic feet, oversize rolled items (6 cubic feet)

Research and business records related to Ms. Millstein’s work as an architectural historian. Includes notes, clippings, surveys, maps, architectural drawings, and photographs.

BIOGRAPHY:

Cydney Millstein's firm, Architectural & Historical Research, LLC, specializes in the preparation of National Register of Historic Places Nominations, National Historic Landmark Nominations, Cultural Resources Inventories, Historic Preservation Certification Applications, Historic Structures Reports for National Historic Sites, Historic American Buildings Survey (HABS), Historic American Engineering Record (HAER), Section 106 and 4(f) Review. AHR has prepared numerous Cultural Historic Resource studies for both compliance-related projects and environmental documents (EISs and EAs). Working locally, regionally and nationally, AHR provides efficient, scholarly, and timely reports.

Founder and principal of Architectural & Historical Research, LLC, Kansas City, Missouri, Ms. Millstein meets the Secretary of the Interior's Standards for architectural historians and is a certified36 CFR Part 61. Her firm can provide a wide range of services to assist in compliance with federal preservation law, develop strategies for preservation planning and use for cultural resources. Additionally, AHR can produce traditional large-format and digital archival photographic documentation for HABS and HAER projects, construction documentation, architectural guides, and promotional materials.

AHR has experience in compiling historical survey analyses and documentation for restoration master plan studies, which are instrumental in establishing parameters for restoration and rehabilitation, adaptive re-use and renovation. For these activities, Secretary of the Interior's Standards for the Treatment of Historic Properties are used as basic guidelines.
PROVENANCE:

This gift was received from Cydney Millstein as accession KA1210 on November 11, 2002. An additional accession KA1845 was received October 25, 2010. Accession KA1862 was received November 30, 2010. Accession KA1954 was received July 20, 2011.
