This is the annual program booklet for the Monday Art Club, a woman’s study club at Poplar Bluff in Butler County, Missouri. The booklet is undated, but “1911” has been written in what appears to be period ink and handwriting on the cover. The president of the club was Mrs. W. N. Barron and the secretary-treasurer was Mrs. E. Bacon.

The Monday Art Club met biweekly for fellowship and the discussion of topics concerning women in art, literature, music, theater, politics, education, and history. This booklet covers a meeting year from October through May. There were sixteen members, including a program committee of Mrs. LeGrand Pace, Mrs. Victor Cadwell, Mrs. D. L. Burnside, and Mrs. G. M. Hearne.
