These are Premium Books for the Henry County Fair and Horse Show, held at Clinton in Henry County, Missouri, 3-7 August 1952 and 25-27 July 1963. Included are schedules of events, categories and regulations for exhibits, and many advertisements for area businesses.

The Henry County Fair Association sponsored the annual fair and horse show, which probably was a successor to the Golden Valley Horse Show (See WHMC-Rolla collection number R943.). The premium booklets informed exhibitors and fair-goers about the fair and its associated activities, including “animal health requirements” for livestock exhibitors. Events included a parade, flower and pet shows, youth day, agricultural and horticultural contests, a tractor pull, a horse show, and a dinner of barbecued beef. Entertainment was provided by the Kansas City Ararat Temple Shrine Band and George Runquist at the Hammond Organ.
