It was organized about 1899 and continued through 1947 when it was consolidated as part of the Rolla school system. The records consist of two pre-printed volumes, the Teachers Register for 1930 and District Clerk’s Record, 1927-1947, and a folder of miscellaneous papers including the monthly and term reports by the teacher to the district clerk, and the school clerk’s reports to the district clerk.
