98 Folders On 10 Microfilm Rolls

MICROFILM

This collection is available at The State Historical Society of Missouri. If you would like more information, please contact us at shresearch@umsystem.edu.

Mr. and Mrs. Maurice Wheeler donated the records of the Socialist Party of St. Louis and Missouri in 1972.

The Socialist Party of Missouri became one of the best organized state-wide chapters of the American Socialist Party, especially active during the 1930s and 1940s. Missouri contained strong pockets of rural socialism and consequently, the Party considered the state an important region for socialist activity. The Socialist Party Records reflect this activity.
