Anthony R. Crawford donated the Anthony R. Crawford Collection to the Western Historical Manuscript Collection at the University of Missouri-St. Louis on August 16, 1983. Photographs from this collection must credit the Anthony R. Crawford Collection.

In 1983, the Pride of St. Louis Redevelopment Corporation began demolishing the historic Title Guaranty Building on Seventh and Chestnut to construct the Gateway Mall complex. Pride eventually tore down the Buder and International buildings also on Seventh and Chestnut. The collection contains one folder of newscappings about the razing of these turn-of-the-century buildings to redevelop the downtown St. Louis area.
