The reference department of the Thomas Jefferson Library at the University of Missouri-St.
Louis donated this material in April 2002.

The collection includes reports, brochures, and statistical information published by
governmental agencies that relate to St. Louis area issues such as flood control, preservation
of historic buildings, mass transit, and metropolitan economic development. The reference
department of the Thomas Jefferson Library, University of Missouri-St. Louis, collected the
material for the use of its patrons. The collection is organized chronologically by date of
publication.
