MISSOURI FOREST HERITAGE RECORDS, 1954-1999
1 FOLDER

This collection is available at the State Historical Society of Missouri

If you would like more information, please contact us at shsresearch@umsystem.edu

PROVENANCE

Kay Drey donated the collection on September 19, 2011.

SCOPE AND CONTENT

The Missouri Forest Heritage Records contains correspondence and documents connected to Leo A. Drey’s efforts to preserve Missouri’s forests from 1954 to 1999. The records document the efforts of forestry preservation activists in Missouri to protect the forests and the wildlife within them.
