PROVENANCE

The Cinema St. Louis Collection consists of materials received from a 2012 accession donated by Cliff Froehlich of St. Louis, MO.

HISTORY

Cinema St. Louis started in 1992, with the formation of the St. Louis International Film Festival Inc. In 1995, Cinema St. Louis was founded as the monetary and volunteer base for the festival. Since its inception, the group has enlarged its annual presentation of film festivals to include the St. Louis International Film Festival (SLIFF), Cinemaspoke, St. Louis Filmmakers Showcase (SLFS), Summer Outdoor Film Series, and I Love Movies Trivia Night. The group’s mission is to advance film as an art form through the presentation of a variety of independent films that might otherwise not be seen.
