INTRODUCTION

Minutes of directors and stockholders meetings, 1971-1927, for an electric street railway system. Adjudged bankrupt in 1927, it operated under the Referee in Bankruptcy. The company was sold by order of the Federal Court in 1930 and ceased operation. Includes a record of loans, a scrapbook, and information on final court actions in 1931.

DONOR INFORMATION

The records were donated to the University of Missouri by J.L. Freiling in April 1944 (Accession No. 110).
