

C      Lehmer, Donald, J., Civil War Typescript, n.d.  
3580      1 folder

This collection is available at [The State Historical Society of Missouri](http://The State Historical Society of Missouri). If you would like more information, please contact us at [shsresearch@umsystem.edu](mailto:shsresearch@umsystem.edu).

#### INTRODUCTION

The papers contain Lehmer's hypothesis is that Ulysses S. Grant and his staff were largely responsible for the ultimate victory of the North in the Civil War. The manuscript consists of Chapter 1, "Command Decision," and Chapter 9, "Victory in Tennessee." All twelve chapters are summarized.

#### DONOR INFORMATION

The papers were donated to the State Historical Society of Missouri by W. Raymond Wood on 13 January 1976 (Accession No. 3981).
