BIOGRAPHICAL SKETCH
T. (Thomas) Clifford Morgan was born on March 4, 1919, near Preston, Missouri, to Thomas W. and Odessa Walker Morgan. He served in the Civilian Conservation Corps from 1936 to 1938, and in the Navy during World War II from 1942 to 1945. He was married to Elizabeth Jean Nelson. He did a lot of genealogical research on both his own family and his wife’s family. He was most known for his work with the Kyger and Morgan families.

SCOPE AND CONTENT NOTE
The papers have been arranged into the following two series:

Genealogy
Documents

The Genealogy series contains the genealogy papers of Elizabeth Jean (Nelson) Morgan. It consists of a journal, a scrapbook, and the ancestral tree of Elizabeth Jean Morgan. The journal was written by one of Elizabeth’s family members, Mary Kaucher, about her trip out west with her family. The scrapbook consists of family records of several family groups including Millers, Kauchers, and Bruners. The ancestral tree covers the lineage of Ester Bruner, a relation to Elizabeth Jean (Nelson) Morgan.

The Documents series consists of miscellaneous pamphlets, an I.O.O.F Ledger dated from 1856 to 1902, and a book titled Summary of Advantages offered to Emigrants and Capitalists by Corydon F. Craig from 1880. There is evidence that the Kaucher family may have had some members in the I.O.O.F during the time frame listed in the ledger.
