BIOGRAPHICAL SKETCH

Dr. George Ehrlich, emeritus professor of Art History at the University of Missouri-Kansas City, was born in Chicago, Illinois, on January 28, 1925. His education was primarily taken at the University of Illinois, from which he received B.S. (Honors), 1949, M.F.A., 1951, and Ph.D., 1960. His studies there included art history, sculpture, architecture, history, and English literature.

Dr. Ehrlich served as a member of the United States Army Air Force, 1943-1946. He was recalled to active duty, 1951-1953 as a First Lieutenant.

Dr. Ehrlich joined the faculty at the University of Missouri-Kansas City in 1954. He was professor of art history and taught American Art and Architecture. Dr. Ehrlich served as Chairman of the Department of Art and Art History from
1964 to 1975. He also served on numerous committees within the university during his tenure.

Dr. Ehrlich, a noted Kansas City architectural historian, authored *Kansas City, Missouri an Architectural History, 1826-1976*, which was published in 1979 for the benefit of the Historic Kansas City Foundation. He co-authored with David Sachs, *A Guide to Kansas Architecture*. He wrote “Civic Center: Public Architecture, Politics and Planning in Kansas City, Missouri-A History” and a monograph on Asa Beebe Cross, architect (1826-1894). His reviews and essays appeared in numerous local and national publications throughout his career.

Dr. Ehrlich was an active member of the Society of Architectural Historians, helping to establish the Missouri Valley Chapter of the Society of Architectural Historians. During his presidency of the MVC-SAH the architectural blueprints which form part of the MVC-SAH Architectural Collection of Western Historical Manuscript Collection-Kansas City, were initially acquired. Dr. Ehrlich was instrumental in their preservation and cataloguing.

He served as a member of the Kansas City, Missouri Landmarks Commission (1979-1989); the Board of Directors of the Historic Kansas City Foundation (1978-1984); the Advisory Preservation Committee for the Restoration of Union Station; and was president of the Mid-America College Art Association (1975). Dr. Ehrlich was instrumental in the establishment of the Committee for the Preservation of Architectural Records (COPAR) and was intimately involved with the Missouri Heritage Trust from its inception in 1976.
