INTRODUCTION
The collection contains forty-nine architectural drawings, in the Gothic Revival styles of architecture, primarily of residences in Kansas City, Kansas, built by Martin C. Nielsen, a local builder. Plans were drawn by various architects in the surrounding area with a few dated between 1940 and 1942. The collection also contains specifications for residences, general condition for residences, description of building materials, and some miscellaneous items pertaining to Martin Nielsen.

DONOR INFORMATION
The collection was donated to the State Historical Society of Missouri by Karen Nielsen on September 10, 1997 (Accession No. KA0968).

COPYRIGHT AND RESTRICTIONS
The Donor has given and assigned to the University of Missouri all rights of copyright which the Donor has in the Materials and in such of the Donor’s works as may be found among any collections of Materials received by the University from others.

BIOGRAPHICAL SKETCH
Martin C. Nielsen was born in 1875 in Kalvsund, Denmark, today a small city in Sweden. He immigrated to the United States in 1875 at the age of 28 on the Indirekte on March 16, 1903. His destination was Kansas City, Kansas. It is not known why he choose to come to the Kansas City area. By 1910, he was living in the 5th Ward of Kansas City, Kansas, and married to a woman named Christina. By 1929, he was living at 2024 Orville Ave. in Kansas City, Kansas, with the occupation of contractor. He remains listed in the Kansas City area city directories as a contractor until 1954 when his occupation was no longer given. He died in November 1960 and is buried at Mt. Hope Cemetery in Kansas City, Kansas.

SCOPE AND CONTENT NOTE
The collection consists of forty-nine architectural drawings of residences in Kansas City, Kansas, built by Martin C. Nielsen, a local builder. The plans for these drawings were designed by various local architects, however, the vast majority of the drawings are not signed or dated. Five of the forty-nine architectural drawings are dated between 1940 and 1942. Drawings are signed by: Martin C. Neilsen, Eric Johnson, Geo. Martin, Lawrence M. Jones, Robert E. Earnheart, and engineer E. J. Reddert. The buildings are primarily of the Gothic Revival style of architecture.

The collection also consists of specifications for residences, general conditions for residences, description of materials used, and miscellaneous items.
The collection has been arranged into the following five series:

**Specifications for Residences**
The specifications are for a dwelling at Seminary Heights, the residences of Mr. and Mrs. H. B. Hansen, Mr. and Mrs. Fred Zahn, W. C. Neustrom, and Mr. and Mrs. Dave Krasner. These specifications are all undated.

**General Conditions**
The general conditions contain three unidentifiable ancillary project costs for residences. The location and date of these residences are not identified. The fourth general condition pertains to Dorothy NoveGradac’s residence, the date and location are unknown.

**Description of Materials**
Contains two Federal Housing Administration descriptions of materials for the Dave Krasner home located in Kansas City, Kansas, dated July 27, 1946, and another for a home located at 1305 N. 37th St., city, state, and date are not specified. The third pertains to M. Martin Neilson located in Brenner Heights, Kansas, the date is unknown.

**Miscellaneous**
Items include a business card for Martin C. Nielsen, a scrap of correspondence from Mrs. Neustrom, and several sketches drawn by Martin Nielsen. The detailing sketches are dated to 1900. This series also contains a constitution of the construction professions and industries of Kansas.

**Architectural Drawings**
Drawings include forty-nine general residence plans, mostly in the Gothic Style of architecture. These are of residences in Kansas City, Kansas, built by Martin C. Nielsen, a local builder. The vast majority of which are undated and provide no location for the residence. A few drawings date between 1940 and 1942.
