

## Information Sheet

**R**      **King, Thomas C.**  
**179**      **Mining report, ca. 1951.**  
            **One folder, photocopies.**

This collection is available at [The State Historical Society of Missouri](http://The State Historical Society of Missouri). If you would like more information, please contact us at [shsresearch@umsystem.edu](mailto:shsresearch@umsystem.edu).

This collection contains drill hole logs, assay reports, and a general mining history of a tract near Dadeville in Dade County, Missouri. The report was prepared by Thomas C. King in connection with a lease of the property by Hugh M. Russell.

Re-cataloged in May 1993; previously cataloged as "Missouri, Dadeville."

*r176*              *3 May 1983*              *Hugh M. Russell*              *Loaned for photocopying*
