This collection is available at The State Historical Society of Missouri. If you would like more information, please contact us at shsresearch@umsystem.edu.

These are registers, 1871-1900 and 1893-1909, of physicians, surgeons, pharmacists and dentists in Maries County, Missouri. The registers list the dates and locations of medical training, or certificates granted by state boards in lieu of examinations.

The rolls of medical professionals in Maries County were created in compliance with Missouri statutes of 1871, 1881, 1889 and 1899. The laws were designed to regulate the practice of medicine and to control the sale of drugs and poisons. The registers were part of county records before acquisition by the Old Jail Museum in Vienna.
