This is the program booklet for the "Horse Show" at the Southeast Missouri District Fair, held at the fairgrounds in Cape Girardeau, Missouri, on 11, 13, and 14 September 1950.

The Southeast Missouri District Fair Association sponsors an annual regional fair at Cape Girardeau. This 16-page program booklet describes the "Horse Show" competition associated with the fair. It includes the names of officials of the fair and show, and detailed lists of the competitive classes, with names of entrants, riders, owners, and hometowns. The various classes for "Walking Horses" drew the most entries.
